

SVE Softball Guidelines in Phase 1

These guidelines have been developed from information provided by the Softball Executive Board in conjunction with the SVE Board of Directors. These guidelines have been formulated for play in SVE. All players are required to adhere to these guidelines. They will be strictly enforced by both the Softball Executive Board and SVE HOA BOD.

Softball Executive Board Requirements:

- Distribute information contained within these and other guidelines to all Softball members through email, bulletin board, or other social media electronic means.
- Proctor/Supervise all softball play and encourage compliance with these guidelines.

Requirements of SVE HOA BOD & Administration

- Prepare and install signage for the softball field listing requirements to play softball.
- Initially provide hand sanitizer & disinfectant solutions.
- Perform opening and closing of gates and doors each day.
- Facility will open dependent upon maintenance or security schedule but is expected to be approximately 6:00 a.m. through 1:00 p.m. by maintenance staff.
- Maintenance will provide thorough cleaning of the restroom daily.
- Water fountain will be covered and taped off. If a bottle filler is available on the fountain it will be left for use.

Requirements of all softball players

- If you are sick, go home. Do not enter the complex.
- Play is limited to SVE residents only. Absolutely no guests or visitors are allowed to play.
- Wash hands frequently to remove dirt and grime.
- Use hand sanitizer provided to frequently sanitize hands.
- Maintain social distancing of six feet or greater at all times especially in the dugout.
- Utilize your personally owned equipment during play time.
- Bring your own drinking water to the diamond.

The continued enjoyment of this facility is predicated on full cooperation and adherence to these guidelines by all players. Ignoring these guidelines will subject each softball player to the loss of play by additional closure time of this facility. Please make good choices for the safety of all

players and all SVE residents. Thank you for your cooperation to insure your continued play and enjoyment.
