ATTENTION BINGO PLAYERS

Bingo at Sunland Village East will kick off the fall season on Sunday, September 5th at 6:45 p.m. in the Auditorium (doors open at 5:15). Managing the games will be residents Ken Sobiech and Bob Olson. A new state of the art bingo machine and large flat screen monitors will be introduced. In honor of the occasion, FREE hotdogs will be served to the first 150 players. The snack bar will open before play starts until after the break. Bingo in SVE could not happen without the help of all the volunteers! It takes about ten volunteers every week for bingo itself in addition to others who help pick up trash and clean tables at the end of the game. Two or three people who have a food handler’s license are also needed to help with the snack bar. Volunteers are always needed and very much appreciated. If you would like to help in any capacity, please call Ken or Bob at 986-9822. We’ll schedule you to fit your schedule.

Bingo is a huge money maker for our community, and all profits are used for improvements in the Village. Support the game and keep our dues low!

SVE BRIEFS

Charlie Walker
At the memorial service for Jeff Bowlds, it was said over and over from those who knew Jeff that he was a very special man, and that he certainly was. He gave his time and talent freely to all who needed them. James Bowlds, Jeff’s brother, lost his battle with cancer on July 12, but the tone of the memorial was that of sadness mixed with the joy that this man brought to family and friends alike. His four grandchildren gave a wonderful testimonial to their grandfather, he said all the good opinions of their Granddad believed in and left as a legacy for them by which to live their own lives.

Dolores Bruno, president of the computer club, spoke of all the time and expertise Jeff had given to the club. Pat Chumbley said a few words on Jeff’s contribution to the community at large and to the HOA board he served so efficiently, but such a short while. Lisa Titalman remembered Jeff coming to the office wearing a necklace his daughter had bought for him with his cross on it and he was so very proud of it. This necklace now rests on his urn and buried with him. Jeff and his wife Sophie were from Chicago IL and raised three daughters and two sons.

They moved to Sunland Village East seven years ago, and in that short time Jeff left an indelible mark on this community.

He was a regular at chapel services every Sunday, ran bingo games every Tuesday and Thursday, attended most every computer meeting where he let his expertise on a wide range of subjects, on which he would impress on others who went to peoples homes to fix computer problems.

This special man surely left his mark on family and friends alike. These two will be sorely missed for a very long time.

WHY LABOR DAY?

Charlie Walker
To most people Labor Day simply means a day off and the unofficial end of summer. But do you know why and when Labor Day was enacted?

The first Labor Day was celebrated Tuesday, September 5, 1882 in New York City. There is some doubt as to who proposed the holiday, but what is clear is that the Central Labor Union adopted the proposal and appointed a committee to plan a demonstration and picnic.

Although not a labor union supporter, President Grover Cleveland signed a law designating the first Monday in September as Labor Day. He was trying to repair some political damage that he suffered earlier that year when he sent federal troops to put down a strike by the American Railway Union at the Pullman Company in Chicago. That action resulted in the death of 29 people. Cleveland was anxious for reconciliation with labor and was fearful of further conflict, so legislation was rushed through Congress and signed into law the day after the end of the strike.

The form for the celebration of Labor Day was outlined in the first proposal of the holiday. A Street parade to exhibit to the public “the strength and esprit de corps of the trade and labor organizations,” followed by a festival for the workers and their families.

Nowadays, the holiday is most often regarded as a day of rest, the Jerry Lewis telethon on TV and family picnics. But it should be remembered that the vital force of labor has added greatly to a higher standard of living for the American people.

Rosemary Nielsen
SVE has more than its share of “Good Samaritans.” Recently one changed a flat tire for me. Now another one has come to my rescue. Three little kittens were discovered in the tank that holds my soft-water cylinder. Their plaintive cries even reached my deaf ears! What to do? I called animal rescue and a man came immediately. He quickly pulled them out of the tank, took them in his truck, and replaced them and proceeded to leave. “Hey, aren’t you taking them?” I asked. “No I’m not. The shelter would charge me $100 per kitten to take them, and the city will not reimburse me.” Then he left. Back to square one.

Meanwhile, two kittens disappeared in opposite directions and the third hopped back into the tank! I had visions of it “flying” in there and smelling to high heaven like a skunk did a few years ago. But that’s another story.

After punching various buttons on the phone and waiting an eternity to speak to a “live” person, I heard the same story. “Yes, we pick up stray dogs, but not cats. Round them up, bring them in and pay us $100 per kitten. Yikes!” Finally a friend suggested I call the SVE Office and gave them my story. Bingo! They knew a man in the village who would get the kittens ready to find homes for them. Soon he arrived, pulled the kittens out of the tank and located the other two in different yards. Those two did not want to be rescued and put up quite a fight. The brave man was gone with them before I had a chance to thank him or find out his name. So thank you Good Samaritan for coming to my rescue. I am so glad I live in a no-pet community or I would have been tempted to keep them. At this stage of my life, I do not need three cats!!

A VERY SPECIAL MAN

Three Kittens and a Good Samaritan

THANK YOU

Thanks!! My heartfelt thanks to all my friends for their prayers, cards, and visits to the hospital and rehab during my recent surgery. I am home now and hope to be back to "full speed" very soon.

Bettie Prather

A special thank you to our Sunland Village East friends for all the kindness you have shown. The telephone calls, visits, prayers and food at the time of Bob's death were greatly appreciated. SVE is a great place to live.

Thank you, Joe Johnson and family

To the Sunland Village East family and friends and the members of the SVE Exercise class, golfers and singers.

The family of Ed DeBrule wish to thank and acknowledge your faithful visits, your gifts of food, the many cards and prayers and most especially, your presence at his Memorial Funeral Mass at Holy Cross Church on July 10th. All are appreciated by Sylvia and their children Clair, Denise, Paul, John and Peter.

Lisa

I want to thank all my friends here at SVE for the cards and phonecalls when I was in the hospital with my heart surgery-- also for the errands and rides since I have been recuperating here at home.

Marjorie Bergstrom

The Bible warns us of the danger of humanism in the book of Romans. "Although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. Preferring to be wise, they became fools, and changed the glory of the incorruptible God into an image made like corruptible man--and birds and four-footed animals and creeping things." Romans 1:21-23 (NKJV) Humanism is the practice of rejecting the sovereign God of the Bible for man, self-serving gods. Humanism had its origin when Lucifer, an angel created by God, sought to put himself above God. "I will ascend above the heights of the clouds, I will be like the Most High." Isaiah 14:14 (NKJV) This doctrine has plagued the world through man-made teachings such as Atheism (There is no God), Agnosticism (God can not be known), Polytheism (Many Gods), and Pantheism (God is in everything). It has corrupted our American culture through the teachings of pagan philosophers, secular scientists and liberal theologians. Educators, legislators, judges, government administrators and anti-Christian activists are propagating it.

How can we defend our culture and freedoms against humanism? By leading the people of America back to God through faith in Christ, by obedience to the commands of God, by proclaiming Biblical truth; by praying for the people of America. "If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land" 1Chronicles 14:7 (NKJV)

You are invited to join the congregation of the Village Chapel as we meet for worship at 9:00 a.m. each Sunday in the SVE auditorium. You will enjoy visiting with your friends and neighbors as we enjoy coffee and pastries following the time of worship. These are served at no charge.
James Maybery
Another month gone by
with our usual problem of
garage doors still with
us, but less than in July.
Congratulations to all and
keep up the good work for
yourselves and remind your
friends and neighbors.
This time of year we
see homes empty for a few
weeks to a few months and we
must keep an eye out.
We all help by keeping our
homes well lit, by having outdoor lights
as well as interior lights that
go on and off automatically.
Alarm systems and dead bolt
locks on doors and windows
are also a big help.
The Mesa Police Dept.
reminds us to shut off our
computers after disconnecting
from the internet in order
to prevent ID theft.
Our banks are not perfect.
If you have on line banking,
periodically check your
account to see that there are
no unknown withdrawals.
If you see something
strange at a neighbors home,
especially when they are
away, notify the police.
An alert neighborhood
is beneficial to all of us.
Please have a safe
and wonderful summer.

Pat Chumbley
Our community has lost some
good friends and volunteers during June
and July.
John and Virginia McFall’s recent
passing was followed by Jeff Brown,
Ed DelBrule, Judy Trust and Stan
Brown.
We will greatly miss them and
offer our condolences to their families.
Everyone is enjoying the newly
repaired north pool and up-graded
exercise room with new flooring and paint.
The carpet in the aerobic exercise room was
shampooed, so please do not take any
beverages except water into these rooms.
The steps in the north exercise pool
were replaced with new lower steps, so
those people with joint problems will
find them easier to use.
Our crew also painted the entire pool complex,
so great improvement for that area!
Are we now getting prices for replacing the
stained straps on the lounge chairs.
Bingo will resume this month
under the capable leadership of
Ken and Lydia Sobiech and Bob Olson.
They purchased a new bingo machine and
two new monitors with bingo
software. Please come and
come it out and support this
very important activity in SVE!
Several very qualified candidates
were interviewed for Jeff Bowlds position
on the Board for the rest of the year.
We are happy to announce that the Board
appointed Marlene Morgan who will
begin her duties immediately.
Thank you to those who volunteered.
As always, note the many activities
that Lisa has planned for September
and beyond. . . lots of fun things besides all
the usual club activities.

James Maybery
**SUNLAND VILLAGE EAST ASSOCIATION MINUTES OF THE BOARD OF DIRECTORS MEETING**

**IN THE AUDITORIUM**

**August 12, 2010**

**PRESENT** - 9:30 a.m.

*President Pat directed the session for comments.

The following concerns were expressed:

1. SVE Employee should be able to do work for SVE residents without a concierge.

An employee policy to that effect will be considered by the Board.

2. An article about the activities of the Golf Club was not in the June *Outlook* as submitted. Another article about the activities of the Golf Club, which has been submitted, has been typed and will appear in the September issue. It was suggested that articles submitted to the *Outlook* should be in the form of a word processing file, either by email or disc.

3. The use of oil-based lotions and sunscreens of blocks on bodies and then swimming in the pools should not be allowed. The sign on the South Pool wall about sun blocks should be on a North Pool wall also using the same wording.

A dispenser of an approved sunscreen in the pool areas was suggested and will be considered by the Board.

**BOARD MEETING**

MEETING WAS CALLED TO Order at 9:52 a.m. with President Pat Chambly, Vice President Jim Mayberry, Secretary Gene Trust, Treasurer Rich Hicks, and Director Judy Abraham.

The following motions were brought before the Board:

1. Another two months have gone by with our usual problems of open garages, lights not shut off at night, and the like. The negative amount is that our payroll is on a biweekly basis and that payroll is $1,614 over the budgeted $96,614 and our net income was a negative $2,046. The reason for the negative amount is that payroll is on a biweekly basis causing an extra payroll in July. It will all work out by the end of the year. Nevertheless, we are still under budget.

2. Adoption of ACC Guidelines. Richard moved that the Board consider the options for construction of this project as follows:

   a. Resurfacing of north complex pools - Work was completed and new signage added.

   b. Painting of north pool complex kool deck - Work was completed in time for reopening on July 23, 2010. All work was performed by SVE Woodshop.

   c. North complex weight room remodel - A new concrete floor was poured, the mirrors shortened, room repainted and new carpet installed.

   d. North pool complex exterior walls - All exterior walls at the complex were repainted by in-house staff.

2 Projects pending:

   a. Maintenance/Storage Building Based on discussion with the City of Mesa, the Board considered options for this project as follows:

      i. Abandon or postpone the project for another year.

      ii. Hire an architect to prepare bidding and construction documents.

3. Other Topics

   a. Display Case for Courtyard - At the suggestion of Counsel from Robert Walker and are waiting for his input for the Board to consider.

   b. Since the stage raising project was turned down the Board directed management to look at pre-fab building companies to obtain estimates based on the research with the City of Mesa. The Board has received the Maricopa County Permit will we receive a SRP rebate of $11,047 for the South Pool. They have been corrected to make sure violations are corrected. If approved, the policy will be made available in the office and will post.

   c. The Mesa Police Department reminds us to shut off our lights and unplug devices disconnecting from the internet in order to prevent ID theft.

   d. Our banks are not perfect. If you have on line banking, periodically check your account to see if there are no transfers.

**REPORT - Judy Abraham.**

The following motions were seconded and passed unanimously:

1. Approval of minutes of June meeting.

2. Appointment of a new ACC Member. Gene moved that the Board appoint Jim Mayberry to serve as co-chair on the ACC and seconded by Judy Abraham.

3. The ACC Policy and Procedures, Covenant Violations, were revised and submitted to the Board for consideration. They have been corrected to make sure violations are corrected. If approved, the policy will be made available in the office and will post.

**SECURITY REPORT - Jim Mayberry for Ed Malone.**

1. Two months have gone by with our usual problems of open garages, lights not shut off at night, and the like. They have been corrected to make sure violations are corrected. If approved, the policy will be made available in the office and will post.

**MANAGER’S REPORT - Jim Harrison.**

1. Work in progress, completed projects and purchases approved and the following:

   a. Resurfacing of north complex pools - Work was completed and new signage added.

   b. Painting of north pool complex kool deck – Work was completed in time for reopening on July 23, 2010. All work was performed by SVE Woodshop.

   c. North complex weight room remodel - A new concrete floor was poured, the mirrors shortened, room repainted and new carpet installed.

   d. North pool complex exterior walls - All exterior walls at the complex were repainted by in-house staff.

2. This year we see homes empty for a few weeks during the month of July. Congratulations to all and keep up the good work for yourselves and remind your friends and neighbors.

3. Security cameras will be installed.

**MINUTES from June were approved as submitted.**

**TREASURER'S REPORT - Richard Hicks.**

1. In the month of June our revenue was $101,896 compared to the budgeted $96,664 and our net income was $16,138 compared to the budgeted $8,526. Our year to date net income at the end of July was a negative $149,034 compared to the budgeted positive $102,968. The reason for the negative amount is that payroll is on a biweekly basis causing an extra payroll in July. It will all work out by the end of the year. Nevertheless, we are still under budget.

**ARCHITECTURAL CONTROL COMMITTEE (ACC) REPORT - Judy Abraham.**

1. In June, there were 14 title transfers of home ownership, compared to 7 in June 2009. Year to date at the end of June, there were 87 title transfers of home ownership, compared to 72 in June 2009. Six architectural change requests were submitted and five were approved. Fourteen violation complaints were investigated and all were confirmed. Three second notices were given and all were confirmed.

2. In July, there were four title transfers of home ownership, compared to ten in July 2009. Year to date at end of July, there were 98 title transfers of home ownership. The seven architectural change requests were submitted and six were approved. Four violation complaints were investigated and all were confirmed. One second notification was sent to a violator.

The ACC Policy and Procedures, Covenant Violations, were revised and submitted to the Board for consideration. They have been corrected to make sure violations are corrected. If approved, the policy will be made available in the office and will post.

**MINUTES from June were approved as submitted.**

SVE GENEALOGY

Jean McLane

Our condolences to Gene Trust who lost his wife Judy July 17th. Our thoughts and prayers are with you Gene.

The monsoon season is here and the light sprinkles are welcome. The summer is waning with cooler weather just around the corner.

I am hoping to have time to get into some old Billings Gazette to find a relative that was killed in a car wreck. I have mentioned this before when we were researching the McCoy family. He was killed not far from where we lived and I don’t remember it being mentioned so am assuming my parents didn’t know he was in the area.

As mentioned last month we will not be meeting until October and I’m sorry I do not have a confirmed program yet. Should be able to fill you in next month. Hope those that stayed through the summer were able to get to the State Library in Phoenix. Lots of material to search through and very helpful volunteers. We’ll have a tape waiting at the FHL here in Mesa when we return. It was ordered from Salt Lake so hope we find some good information. Still searching for my Patriots father, have several leads. The FHL will be open by the time you read this so make time to go down for researching. Nice cool place to spend a day and see what changes they may have made.

For those thinking to go to the Library with the group in September or later, please meet on the patio of the Mesa Verde Room at 8:45 AM on the 1st Wednesday of each month. Carpool or bring a friend to go with you.

Please continue to have a safe and healthy summer and our first regular meeting will be October 20, 2010.

If you have questions or need help call Gene Trust, 373-6052, Diane Schmidt, 986-5099 or Jean McLane, 986-7002. One of us will be here to help you or answer your questions. Stay cool and happy researching.

SVE Lapidary/Silversmith Club

Paul Thovson

The Village winter residents are already returning and you can see the activity level rising each day. Those of us who stayed here through the summer have been busy making new jewelry molds and setting up a display of what we have available. During the summer we did a lot of jewelry casting and practicing new techniques of wax modeling combined with different shaped polished stones. The shop has been well used all summer long. One of the SVE residents lost an earring and Penny Pence made a copy of the remaining one and cast a duplicate. You couldn’t tell the difference between the new and old one. Our members have done this for several residents on different types of jewelry and it has been an excellent learning experience.

Fall activities will be starting with the Tuesday, October 5th Club meeting at 9:00a.m. in the Lapidary Shop. We will be planning our involvement with the November Craft Fair.

RED HAT SOCIETY

Shirley Miller/ Patti Scarbrough

Dazzling Dolls Red Hat Tea was held June 23 hosted by Group 1. We thank them for the beautiful table decorations and refreshments. For fun, since it was Father’s Day month, we were asked to share a special memory of our father. We always get the updates of outings for the month. Due to climate change and fewer members in the summer, many of us enjoy the get-together in our homes for table games and potluck or dessert. Can’t wait tillDec. food was brought for the food bank and we will continue doing that for our Team.

The “Christmas in July” Tea gave us a break from the scorching weather.

July 28 the Mesa Verde Room was the setting, and we couldn’t help but feel cool with glass, tin, wood and stuffed snowmen everywhere you looked. The desserts were Pizzelles, an Italian cookie that looked like large snowflakes and snowballs, lots of snowballs, which were cookies called Russian Teacakes. Red and green M&M’s were in (you guessed it) snowman shaped candy dishes and strawberries and green grapes filled snowman shaped fruit bowls. Other table decorations were sparkle snowflake ornaments (one for each lady in attendance) and mini marshmallows as small snowballs.

Before the festive morning ended, we had a gift exchange, which has many names, “White Elephant”, “Chinese Exchange”, “Dirty Gorille” no matter what you call it it was fun!!! Thank you Group 6; it was so COOL!!!!!!! Our SVE Red Hat Society group meets every fourth Wednesday of the month in the Mesa Verde Room at 9:36 AM; remember to bring a teacup, teabag, notepaper and pen.

SUNLAND VILLAGE EAST SINGERS

K. Seipp

SVE Singers resume rehearsals at 12:00 noon on Tuesday, September 28th in the Mesa Verde Room. Singers wishing to join should call Kenneth Seipp, 464-3544 for further information. Our next performance will be on Thursday evening December 16th.

COMPUTER CLUB BITS AND BYTES

Beverly Selvage

The Computer Club will start meeting again Sept. 13th 9:00A.M. and 10:15A.M. No 2 P.M. meeting. Sept. 20th at 2 P.M. in the Mesa Verde Room the Hardware Special Interest Group will meet with Joe Zagat. Sept. 27 the Photo/Camera will meet at 2 P.M. in the Mesa Verde Room. For other meetings check the website. Barb will be signing up new members for the season. Dues are $20.00.

Intermediate Classes will start Oct. 13th and meet in the Training Facility on Weds. and Thursdays 4-2hr sessions. Handouts and CDs of Information will be given to those who attend. Content of classes will be determined after the first session by participants. The Beginner Classes won’t start until Nov. 2nd and Windows 7 classes will start Oct. 18th. Other classes will follow, check the website under “Up Coming Events.”

The Special Interest Group (SIG) Photo/Camera will meet the 2nd and 4th Mondays at 1PM in the Mesa Verde Room but the first meeting on Sept 27th will be at 2 P.M. The Sunland Linux Users Group will meet on Oct 1 and then the first and 3rd Mondays at 6-8 P.M. in the Training Facility. The Hardwire SIG meets on the 3rd Mondays at 2 P.M. in the Mesa Verde Room starting on Sept. 20th. The MAC SIG will meet the 2 and 4th Mondays from 1-3 P.M. starting Oct. 11th in the Training Facility.

Joe’s Tip With the summer monsoons there is a warning about electrical surges. Do you need a Surge Protector? Looks like a power strip having multiple outlets for plug ins, it protects your computer, monitor and other peripherals such as a printer or fax machine from sudden peaks in the electrical current. These fluctuations can cause permanent damage to hardware, causing a loss of irreplaceable files. Don’t forget the Cable and Telephone ports also.

The monthly Schedule will be posted on the outside of the West wall of HOA office. Go to our website, WWW.SVE.COM for upcoming events, new information, free software updates and help articles. The schedule is under Activities. There is help in finding out what you need to install Windows 7 and what new features it contains. Our newsletter is great so don’t miss the information that is written there.
### Sunland Stickers

Our summer stickers are busy working on charity items for organizations we donate to. We are also doing items for the Arts & Crafts fair coming in the fall. Some of our stitchers have been going on vacation for short times visiting family and friends.

Shirley Hervey came to us (from Banner Hospital) with bolts of Christmas fabric for Banner Children’s hospital. We agreed to make Christmas stockings forpreemies and babies born at holiday time. Thanks to Sue Thompson and Madalyn for organizing and cutting out patterns for these stockings. We are now bringing in our own sewing machines and having a sewing day to work on these stockings for the hospital.

On August 30th we went on a shop hop to three quilt shops and lunch out with some of our friends. The shops we went to were The Three Dudes, 35th Avenue Sew & Vac and The Quilter’s Ranch. It was an enjoyable time and a break from everyday sewing.

It was Joanne Martinek’s birthday on July 26th and a bunch of us went out to The Olive Garden to celebrate. Her husband, Gary, is a great cook and she was so happy. She is a wonderful person.

### September Classes

**CERAMIC CLUB**

Wanda Katzman

The club wants to thank those who attended the ice cream social. It was a happy meeting with a fun group. Watch the Outlook for date of next meeting this fall.

We are sorry to hear of a member’s car accident back in Iowa. Rojean was involved in a two car collision and both her legs are broken. The doctors warn that it will take several months to heal. We all will want to remember her with cards and our prayers.

**SVE ACTIVE SINGLES**

Billie Pester

The summer activities continue to roll for SVE Singles members.

We had an active August! A large number of members attended the various activities. That’s commendable, as a lot of our members are enjoying cooler temperatures elsewhere.

The September Social Committee members are: Max Taynor, Charlotte Mayo, Joyce Minchella and Will Moody. They’ve planned the following activities:

**First Event:** Breakfast at the Golden Corral on Friday, Sept. 10; at 9:00 A.M. Many delicious choices are offered. Pay with separate checks. Sign-up is by Sept. 6th. Contact Max Taynor, 380-9404.

**Second Event:** Lunch at Sheraton’s on Tuesday, Sept. 21, at 12:00 P.M.

Order tasty Mexican food from the menu. Sign-up by Sept. 15. Contact Joyce Minchella, 984-6316.

**Third Event:** The Hale Center Theater for a comedy, “The Foreigner” on Saturday, Sept. 15, at 3:00 P.M. Sign-up and payment of $16.00 by Sept. 8 as tickets must be purchased early. Call Will Moody, 384-5115 if you need more information.

**Our Sunshine Person** for September is Virginia Stogdon. Contact her if you know of someone needing a call.

We invite all singles in SVE to join us for a social evening of visiting, cards, and games every Wednesday. Car pooling is available for all activities and if you need a ride to the meetings, we’ll be happy to provide one.

**SVE GOLF CLUB**

**BOCCE CLUB**

Don Strong

Bocce Ball will resume play on Tues., Sept. 7th at 7:00 P.M. If you enjoy playing bocce ball or are just a beginner, come to the courts on each week day. All players are welcome.

Try some fun in a relaxed atmosphere. Planning is currently being done on the bocce ball banquet for Mon. Nov. 15th. Those that want to be in the tournament need to sign up by Sept. 20th. It will be held in the SVE auditorium. Be sure to mark your calendar for this.

The fall meeting will be held in the Mesa Verde room at 9:00 A.M. on Thurs., Nov. 4th. This is for members as well as anyone interested in bocce ball. Come, join us for the meeting. Coffee and donuts will be served. Sign up for league play will begin at that meeting.

Remember our on-going sponsorship of the Friday Jam Sessions and our first Saturday of the month game nights.

**SVE MENS’ GOLF CLUB NEWS**

Alyn Broike

The Men’s Club would like to welcome new member Terry Fuhrman to our club.

In the month of July, the following members got a hole in one:

- Tub Miller on hole 9
- Wayne Howell on hole 18

Plans have been made for a Labor Day golf outing and lunch following at the Mesa Verde Room. Please check the bulletin board for further announcement.

**SUSAN SHIFMAN SEPTEMBER CLASSES**

Beginning in September, Susan Shifman, RYT, CPI, CTREP will again be teaching weekly classes of Beginning Yoga and Gentle Yoga.

Beginning Yoga starts: September 16th

Wednesdays: 4:30 at Oakwood Room.

Explore gentle movements to increase your flexibility, strength and well-being. You will be led through stretches, gentle or modified yoga postures and breathing practices, then guided into deep relaxation. The same sequence of basic yoga postures, yogic breathing techniques and relaxation will be followed in each class. The repetition prevents you from becoming overwhelmed and allows you to become very familiar with basic yoga poses. Please bring your own mat.

Gentle Yoga classes start: September 16th - Thursday 9am - 10:15am.

Introducing yoga and Pilates to beginners and those needing to strengthen and/or tone their bodies due to arthritis and/or osteoporosis. This class will help strengthen your “core” (your torso muscles) as well as hip and leg muscles. This class is for their comfort for developing general tone and fitness in the body while creating a sense of inner calm, relaxation and overall well being. Please bring your own mat.

Fees: $5: class or 6 Class Punch Card for $25. (Punch Card may be used in both classes) For additional information please call Susan at 480-861-7781, or e-mail: gentleyfa@gmail.com

**Sports**

**BOWLING**

Ruth Morse

Welcome back winter visitors!

Our bowling leagues are starting again on October 13th and 20th at the Brunswick Bowling Alley on Southern Avenue, between Dobson and Alma School Roads.

We will be having our combined pre-season meeting on Saturday, October 9, 2010 in the Mesa Verde Room at 11:00 A.M. We hope to see our returning bowlers and some new interested bowlers at this meeting. We are always looking for new folks to come and join our league. Contact Ruth Morales at 380-6884 for more info. Hope to hear from you.

**SVE GOLF CLUB**

Jeff Shaw SVEGCL President

The Board of Directors has decided to take over the operations of the restaurant and bar at the SVGCL. We received notification from Michael Thornton that he was terminating his lease, and would not be opening the restaurant and bar in September as planned. We want to take this opportunity to communicate with you.

The bar will open for business around August 30th, serving beer, wine and bar food. The restaurant will open for business on or about the 15th of October.

A few months ago, the membership voted to allow qualified residents of Sunland Village East who own rental property here in the village to purchase shares in the Golf Club and use the facility.

This will allow landlords to offer their tenants an opportunity an employee to purchase an annual pass to the golf course, join in league play, advanced tee times and receive discounts in the Pro Shop. If any landlords are interested in this special opportunity to make their rental property more desirable, please contact our Business Manager Janice Conroy at 480-373-8748 Monday through Thursday for more information.

**Sunsational Tap Dance Club**

Glenda Gearhart

Welcome back to a great September at Sunland Village East! The Sunshantical Tap Dance Club is ready for another exciting season. All of our summer travelers are back from vacations to exciting places. It’s always fun to see new beautiful spots around this great USA. Hope you were able to do a bit of that yourselves. Our Activity Director, Lisa, has been keeping many fun activities scheduled for those who could not travel this summer.

We have been practicing give our new tap numbers with much vigor and enthusiasm. Our new Revue “Broadway Lites & Boogie Nites” will be ready for our March 9th and 12th, 2011 performance. We are very excited to perform for you and your friends. The tickets will go on sale after the November meeting.

We still have room for new Sunshanticals. Classes for beginning and intermediate tap dancing for men and women, will begin the first Tuesday in November. You are welcome to come and take classes, even if you do not wish to perform in our revues. Just call Alicia Hall 480-354-7151 for all the information. Oh, yes KEEP SMILING!!
Now starting the 15th year with a Farnsworth Co.

Now you can add protection, privacy and insulation to your home at the touch of a button. Roll Shutters provide an instant “safety shield” to the exterior windows and doors of your home. They conveniently roll up and out of sight at the simple push of a button.

Roll Shutters are installed on the outside, but are operated manually or electrically from the inside. They are a highly functional product, protecting your home or office against burglary, vandalism and storms, as well as providing added insulation to your windows and doors - and instant privacy when you want it.

Security & Energy Savings at your fingertips
- Reduces energy costs (summer & winter)
- Blocks up to 95% of the sun’s heat penetration
- Provides an insulating blanket of air
- Protects against weather conditions or errant golf shots
- Deters thieves and vandals from entering
- Buy direct from manufacturer
- Locks automatically
- 5-year warranty

The perfect solution for sun problems
